Application Acknowledgement

You are just about to begin the application process for on-campus housing for the Fall and Spring semesters or Spring semester only. Living on campus will offer you many opportunities for community involvement, personal growth and leadership roles. Before we begin, you will need to accept and acknowledge the following:

Contract Length: I understand that I am filling out a housing contract that will cover Fall and Spring semesters or Spring semester only. Housing renewals for the next academic year will occur in mid-Spring. I understand that a fall-only contract is not available. Should I decide to leave UCCS prior to the end of the term, I will complete a withdrawal form on the housing website, and I understand that my deposit will be forfeited.

Personal Responsibility: I understand that I am taking full personal responsibility and will be held to the UCCS Code of Conduct, the Residence Life Handbook, and the Housing Contract; these documents can be found by clicking here. Furthermore, I take full financial responsibility for prompt payment through my student portal for housing charges. Rates for all room types can be found by clicking here.

Priority date: I understand that the housing application priority date is March 15th. This date is not a deadline, but students who apply by this date will have a greater chance of being assigned to their preferences of theme floor, room type, and roommates. I also understand that regardless of application submission date, no guarantees can be made in regards to room assignment. The first round of room assignment notifications will be sent to your UCCS email in early May, and then at least monthly during the summer.

Meningitis Information

All new students living in on-campus housing must provide proof of receiving the Meningococcal ACWY vaccination or sign a waiver.

The Meningococcal B vaccine is recommended for Housing students as well, but is not required by law.

Please read the Public Health Fact sheet from the El Paso County Department of Health and Environment for questions and concerns.

Please visit Meningitis Now to hear powerful stories from survivors and families of people who have suffered the devastating effects of Meningococcal Disease.

Click here for a list of immunization printable forms.

Protect yourself, Get Immunized!

Contact the Wellness Center (719) 255-4444 or your Provider

Uploading directly into the medical system will save you time when you check in for housing, but is NOT required to complete your housing application.

I understand that I am required to submit EITHER vaccination records indicating I have received the Meningitis Vaccine OR the waiver as mentioned above.

When completing room assignments, sometimes it be difficult to accommodate both a room type preference AND a roommate request, though we will certainly try to accommodate both requests as availability allows.

However, in the event that we are not able to accommodate both requests, **please select below if you would prefer to be placed with your requested roommate(s) or your top room preferences.** Though we cannot make any guarantees, we will do our best to honor this request if we cannot accommodate both.

We use these answers to determine roommate compatibility.

Gender Inclusivity

Gender Inclusive Housing is available in **any room type** (*Effective 1/24/2024, Gender Inclusive housing will NO LONGER be limited to only private room types*) in all housing areas (Alpine Village Apartments, Summit Village Residence Halls, Village at Alpine Valley Residence Halls). In order to live in Gender Inclusive Housing, a student must opt-in, which means that a student can only be placed in a gender inclusive apartment/suite if they agree to the following statement:

"I desire to live in a Gender Inclusive Housing suite. Further, by selecting this option, I understand that I could be placed with a roommate of any gender. I understand if not enough students select the Gender Inclusive Housing option, my suite may not be full and/or that the Office of Residence Life and Housing reserves the right to change the suite to a single gender suite."

Please note that selecting the option that you wish to live in a Gender Inclusive Housing suite does not guarantee that you will be placed in a Gender Inclusive suite, but we will do our best to accommodate your request.

Please note: if you select to be included in gender inclusive housing, you will only see roommates on the roommate matching page who also wish to be in gender inclusive housing.

Click here for additional information regarding Gender Inclusive Housing.

GENDER INCLUSIVE HOUSING SELECTION

As a reminder, **if you select "YES,"** you could be placed with a roommate of any gender.
